Let's draw three boxes below:

This is a 500px x 500px box with red background

This is a 500px x 500px box with antiquewhite background

This is a 500px x 500px box with red background

Then let's render a image, with a little bit of styling:

Last but not least let's create a list:

1. First item
2. Second item
3. Third item
4. Fourth item
